## Is your loved one struggling with substance abuse? We can help them get back on the right path.

Journey Healing Centers has over a decade of proven success helping people break the grasp of addiction. Some highlights of our program:

- Intensive family support including weekly family therapy
- Residential, outpatient and day treatment programs
- Traditional, experiential and naturopathic therapies
- Aftercare and alumni programs
- Inspiring setting in Cottonwood Heights, Utah

Visit [www.freejourneybook.com](http://www.freejourneybook.com) for our complimentary e-book on the warning signs of addiction and how you can help your loved one reclaim their life.
